This year's Business Expo is going to be bigger and better than ever. For just a few hours, you can interact with both the public and other businesses that may not even know you exist. Be creative to get people to your booth and get leads by having a drawing for prizes or services. Small inexpensive giveaways or candy is a great way to build goodwill or keep your name in front of your target customers year around. You might even have special promotions for attendees. If you do, let us know and we will promote it in advance
